Independent Auditor's Report

To
The Members of PRASHANT INDIA LTD.

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the financial statements of **Prashant India Limited**, which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

We draw attention to the following matters in the Notes to the standalone financial statements :

Note no.2(a): Regarding non accounting for gratuity, leave encashment & bonus liability contrary to sec.128 of the Companies Act, 2013 and Ind AS-19 issued by the ICAI.

Note no.2(b): Regarding accounts of the company having been prepared on 'Going Concern Basis', despite

- *operations of Agro Division of the Company having stood suspended, since the year 1998 and having sold plant & machineries of the division as scrap during the financial year 2018-2019,*
- *net losses / cash losses having been incurred by the Company over the past several years,*
- *net worth of the Company having been totally eroded and substantial losses having been carried forward as at 31st March, 2021*
- *current liabilities exceeded Company's current assets as at the balance sheet date,*

- BIFR restoring company's reference in conformity with the order passed by the Hon'ble High Court of Gujarat for fresh hearing under the provisions of the Sick Industrial Companies (Special Provisions) Act, 1985 and the BIFR then having been dissolved and no such case is pending before NCLT or any similar authority.

in the absence of adequate data and information for its compilation on an alternative basis and consequently no adjustments having been made in the accounts relating to the recoverability of recorded asset amounts and in respect of recorded liabilities and contingent liabilities that might devolve on the company.

These condition, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern.

Note no.23(b) : Regarding non provision of liabilities of Rs.9508.11 lacs

Note no.23(k): Regarding certain balances being subject to confirmation the effect of which could not be quantified.

**Annexure 'B' to the Independent Auditor's Report -
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of
the Companies Act, 2013**

We have audited the internal financial controls over financial reporting of **PRASHANT INDIA LIMITED** as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply in all material respects with the Accounting Standards as specified u/s 133 of the Companies Act, 2013 read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and the relevant provisions of the Companies Act, 2013 and other accounting pronouncements of ICAI. b. Going concern –

Despite the facts as mentioned herein below and also in the absence of adequate essential data and information for compilation on an alternative basis, accounts are continued to be prepared on 'Going Concern Basis', as the Company has been running its operations for last so many years inspite of all such limitations :

- The operations of Agro Division of the Company have been suspended since the year 1998 and the Company has sold plant & machineries of this division as scrap after obtaining Members' Permission vide Special Resolution in this regard at EOGM convened on dated 27-04-2018.
- The Company having incurred net losses/ cash losses for several years in past
- The Net Worth of the Company having been eroded completely based on the Audited Annual Financial Statements of the Company, since the year ended on 31st March, 1998.
- The Accumulated Losses of the Company as at the end of the financial year, are far exceeding the entire Net Worth of the Company
- The BIFR restored reference of the Company in conformity with the order of Hon'ble High Court of Gujarat dated 28-07-2015 to reconsider the case. However, BIFR has been then dissolved and no such case is pending before NCLT or any similar authority.

Consequently, no adjustments are made in the accounts for compilation of Accounts on an alternative basis relating to the recoverability of recorded asset amounts and in respect of likely devolvement of recorded liabilities and contingent liabilities

- b. Use of estimates –
The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions which are considered in the reported amounts of assets and liabilities and disclosure of contingent liabilities as of the date of financial statements and the reported amounts of income and expenses for the financial period. The management believes that the estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and differences between the actual results and the estimates are recognized in the periods in which the results are known /materialize.
- c. Fixed assets -
Fixed assets are valued at cost of acquisition or construction. They are stated on historical cost basis less accumulated depreciation.
- d. Depreciation –
Depreciation on fixed assets is provided on pro rata basis on straight line method at the revised rates prescribed under the Companies Act, 2013 based on useful life of the respective asset.
- e. Inventories -
Inventories are valued at cost or market value, whichever is less.
- f. Revenue recognition –
Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.
- g. Foreign Currency Transactions –
Foreign currency transactions entered into by the Company are accounted at the exchange rate prevailing on the date of the transaction or at rate that closely approximate the rate at the date of the transaction. Foreign currency monetary items outstanding at the Balance Sheet date are restated at the year-end rate.
- h. Earnings per share (EPS) –
Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to the equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period
- i. Contingent liabilities –
A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized but are disclosed in the notes when Company has a possible or present obligation where it is not probable that an outflow of resources will be required to settle it.
